

In anticipation of the High Holidays....

The K.B. Middle East Working Group is once again selling **Olive Branch Olive Oil** both to support the Palestinian Olive Growers of the West Bank and to raise money for projects supporting peace and justice in Israel/Palestine.

**Oil will be available at the first KB Sunday School Session,
September 13, 2009**

MAKE THIS HOLIDAY A CELEBRATION OF DOUBLE GIVING

This oil comes directly from the Palestinian Agricultural Relief Committee (PARC) <http://www.pal-arc.org>, a non-profit, non-governmental organization in the West Bank. PARC received the top BIOL award for excellence in olive oil in a competition in Puglia, Italy, which included 300 participants from Italy and abroad. PARC works with 15 different small farming cooperatives. It is the leading NGO committed to sustainable development in rural Palestine.

Linda and Steven delivered a check for \$1,000.00 to the mayor of Jay-yous last June and are happy to share news of their most recent visit with Abu Azzam and others of this farming community and the thanks they bring back from those living in this village.
